

Betty & Blinky

and the dance show

★ Favourite dress and star belt

Today is a very special day for Betty and Blinky. They are at the park to dance. But that's not all. Their friends will all be there later on too - they're planning a fantastic dance show! As soon as they woke up, they felt excited. Betty wondered what to wear for the show. Her favourite purple clothes look great. After breakfast, they finally head to the park. They want to practise their dance steps one more time before the

show. They have spent a lot of time at the park practising over the last few days. Betty is a really good dancer! She leaps incredibly high, spins around like the wind and swings her arms to the music. They have found the perfect place for the performance in the park. Betty can't wait to dance in front of her friends again. Perhaps her friends could even join in this time? Would they be able to remember all the tricky dance steps?

Betty & Blinky

and the dance show

★ Dancing with friends

When the pair reach their spot in the park, they get a surprise: someone has drawn hopscotch squares on the ground with chalk! It must have been some other children who played there. But it's exactly where Betty and Blinky want to put on their dance show.

★ From box to box

'Shall we wipe the chalk off?' asks Blinky. Betty thinks for a moment. 'That might make the children sad when they come back. I think I've got a better idea,' she replies. 'Look! We can use the hopscotch squares in our dance show!' Betty hops from one square to another, spinning around in the air and swinging her arms. 'That looks great!' calls Blinky happily. Betty is pleased. 'If we put out chalk for our friends, they can draw their own squares to make it easier for them to join in with the show! It's easy to remember the dance steps if you use the hopscotch squares!' she laughs. Now, the two friends are even more excited about their performance. They wonder whether their friends will dance with them - that would be so much fun!
